**FOCUS** Versatile contract seating

A contemporary chair range combining the comfort of ergonomics with attractive design.

Focus is appropriate as visitor seating, in the office, auditorium, conference or training room or anywhere comfortable individual or mass seating is a requirement.

The attractive squared upholstered back shape coupled with a reputation for durability, makes Focus an excellent seating selection.

Long-life is guaranteed with the Advanta 5 Year Warranty on structural integrity.

Writing tablet fits left and right hand sides, can be fully removed from the chair and is adjustable for depth.
