Dynamic, Sharp and Eye-catching.

Q70 is the ideal seating choice for the whole office. Because of its adaptability, Q70 is great for office environments where staff change on shifts using the same chair. It is also an excellent meeting/boardroom chair.

The Mesh backrest provides full, even support while allowing the free circulation of fresh air and conforming to the user's body with a strong S-Line shape that supports the human spine.

The advanced dynamic mechanism adapts and responds to the user's movements providing constant support.

3D height adjustable arms, an adjustable headrest and a polished aluminium base are options.
