DASH Task + Drafting

Dash is a striking and unique, feature packed task & drafting chair. Standard seat depth adjustment, weight activated auto-balance mechanism and self-adjusting lumbar support, make the Dash chair super easy to get comfortable in and intuitive for the user. 3D adjustable armrests are optional, and the frame is available either in black or white-grey.

Dash seat upholstery is available in a large range of fabrics, vinyl or leather and for the backrest a beautiful dual layer, soft feel 3D air mesh is standard. Dash is supplied fully assembled, ready to use.
